POSITION TITLE: Clinical Lead Therapist

REPORTS TO: Executive Director

BACKGROUND:

Since 1981, the Samaritan Counseling Centers of the Mid-South, a non-profit organization, has been committed to providing professional counseling services and educational programs to all in our community who are in need without regard to their financial situation.

Our philosophy is that the client's lack of ability to pay does not preclude service. We are guided by our mission statement: "To offer hope and healing through high quality, affordable, accessible and professional counseling, while respecting the personal and spiritual values of individuals."

GENERAL JOB DESCRIPTION:

The Clinical Lead is appointed by the Board President and/or Executive Director to lead and manage clinical services. These include counseling, consultation, managing client inquiries, clinical staffing, case conferences, record-keeping, and staff supervision. The Clinical Lead is a member of the management team of the Center. The Lead is integral in the recruitment and the development of the clinical staff.

In addition to management responsibilities, the clinical lead will work as a therapist, if desired, within the function and policies of the Samaritan Counseling Centers.

The Clinical Lead role may function as a part time or full time job depending upon the number of clients served by the Lead. Hours are flexible and therapy sessions may be virtual. Compensation will be a blend of client fees and a set monthly stipend paid for Lead responsibilities.

MAJOR RESPONSIBILITIES:

- Manages incoming client inquiries via phone and e-mails;
- Collaborates with SCC staff therapists to assign new clients;
- Recruits, interviews, and recommends new staff therapists as needed;
- Provides clinical leadership, supervision, administration, and conducts regular staff meetings;
- Assures clinical staff meet SCC, state and discipline ethical guidelines and requirements;
- Maintains and monitors quality assurance and utilization review;
- Participates on the Center management team;
- Leads the development of clinical referral sources;
- Works effectively with all referral sources and community partners, including religious leaders, congregations, and other community sponsors;

- Oversees the proper utilization of the SimplePractice electronic medical record system by all staff therapists and provides data required for grants and other fundraising purposes in keeping with SCC's policies and procedures;
- Develops/Updates SCC's clinical practices and procedures;
- Provides professional counseling services in line with SCC's mission (in-person and/or telehealth);
- Become impaneled on major insurance panels such as Aetna, BCBS, Blue Care, Cigna/Evernorth, United Behavioral Health, United Health Care, United Health Care Community Plan, etc;
- Maintains a minimum agreed upon clinical hours;
- Works with the administrative staff, staff therapists and biller to ensure fees are collected within the fee policy set forth in the Clinical Policies and Procedures Manual;
- Represents the standards and practices of your professional licensing board(s)
- Performs administrative and development tasks as assigned;
- Works with the Executive Director and Board of Directors to ensure professional service delivery and SCC's sustainability are in alignment;
- Manages all requests for client information from legal, medical, insurance/reviewing agency and/or State and assure valid Release of Information is on file. Identify client's therapist and forward request to appropriate therapist;
- Manages the clinical services budget in cooperation with the Executive Director;
- With the Executive Director identify/address any physical building/site needs of therapists and refer to appropriate site representatives;
- Manages SCC Group Credentialing/Re-Credentialing with Insurance/Managed care entities;

EXPERIENCE AND QUALIFICATIONS:

1. Graduation from an accredited college or university with a master's or doctorate degree in pastoral counseling, psychology, social work, marital and family therapy, or equivalent.
2. Designated at either the Health Service Provider or Mental Health Service Provider level.
3. Minimum of five years' experience as a clinical therapist.
4. Ability to meet the requirements for the position of pastoral counselor or staff therapist at an advanced level.
5. Sufficient knowledge and skill in the clinical field to lead others and to guide the Center's clinical program.
6. Experience with providing counseling and/or assessments among children and adolescents (preferred);
7. Mastery of a coherent theory and practice of therapy and familiarity with other schools of theory and practice used in the Center.
8. Advanced competence in integrating spirituality and psychology in the practice of therapy and the ability to communicate this knowledge to others.
9. Ability to supervise the clinical work of others.
10. Ability to work effectively as a peer with seasoned professionals from other disciplines.
11. Ability to organize and coordinate staff resources for EAP and insurance/managed care contracts and to do the quality assurance and utilization review work necessary for meeting the requirements.
